About the Speakers

- **Dr. Gaurav Singh** currently working as Head and Associate Professor, Dept. of Oro-Maxillofacial Onco Surgery in Super Speciality Cancer Institute, Lucknow. He did his BDS from I.T.S Dental College in 2006 and MDS from King George Medical College in the year 2009. Further on he did his fellowship in Head and Neck OncoSurgery from Dharamshila Hospital, Delhi in 2011.
- **Dr Mallika Sethi** (Professor, Periodontology) is a known name in the world of Periodontology. She did her MDS in Periodontology and Implantology from I.T.S Dental College followed by **Mastership& Diploma in Laser Dentistry from the esteemed** Medical University of Vienna.

About the Event

The event started with process of alumni registering themselves and connecting over high tea.

Undergraduate students then welcomed the alumni at the Vikram Sarabhai Auditorium by applying tilak. The program started with praying to Goddess Saraswati through Saraswati Vandana and Lighting the lamp. Dr Payal Sharma (Dean -CDE, Alumni and Research) welcomed the alumni and invited them relive their college days. Moving forward the alumni were taken on a nostalgia filled journey by highlighting the development in their alma mater over the past 20 years through a presentation by Dr Devi Charan Shetty (Director -Principal).

Dr Gaurav Singh (Head and Associate Professor, Department of OromaxillofacialOncology, Super Specialty Cancer Institute, Lucknow) a distinguished alumnus addressed the gathering about the importance of Alumni Association. He emphasized that Alumni Association does not just help us to stay connected but also helps in overall development of an individual.

Dr Mallika Sethi (Professor, Periodontology) presented a guest lecture on 'Laser-ly amazing: Filling the gap in Dentistry' in the R. Ahmad Hall. The lecture was attended by alumni members along with undergraduate students wherein they were informed about the advantages and role of lasers in various dental treatments.

The event was attended by around 450 alumni members along with their spouses and kids who displayed their fun side in a colorful and fun filled cultural program. Alumni members danced and sang their hearts out in an energy filled performances. Followed by a stylish walk in the fashion show. Games were also organized for the alumni and their kids to participate in. The cultural program was followed by a general body meetup of the Alumni Association in which president along with members were elected.

A walk-through memory lane was organized in which the alumni revisited their departments and relive their old campus days. The event end with a vote of thanks proposed by Dr Pooja Agarwal (Secretary, I.T.S Alumni Association) in which she thanked the management for organization of the meet.

Observations

- Very good response from the first four batches of BDS.
- Everyone appreciated the efforts made by the institute to connect with the alumni.
- The organized program was also appreciated by the alumni members.
- Alumni congratulated and appreciated the college and management regarding the infrastructure development the college has undergone in such a short span of time.

Short-Comings

- The actual number of alumni attending the event was less than the initial registrations.
- Coolers should have been in more number in the admin ground (open area) due to hot weather.

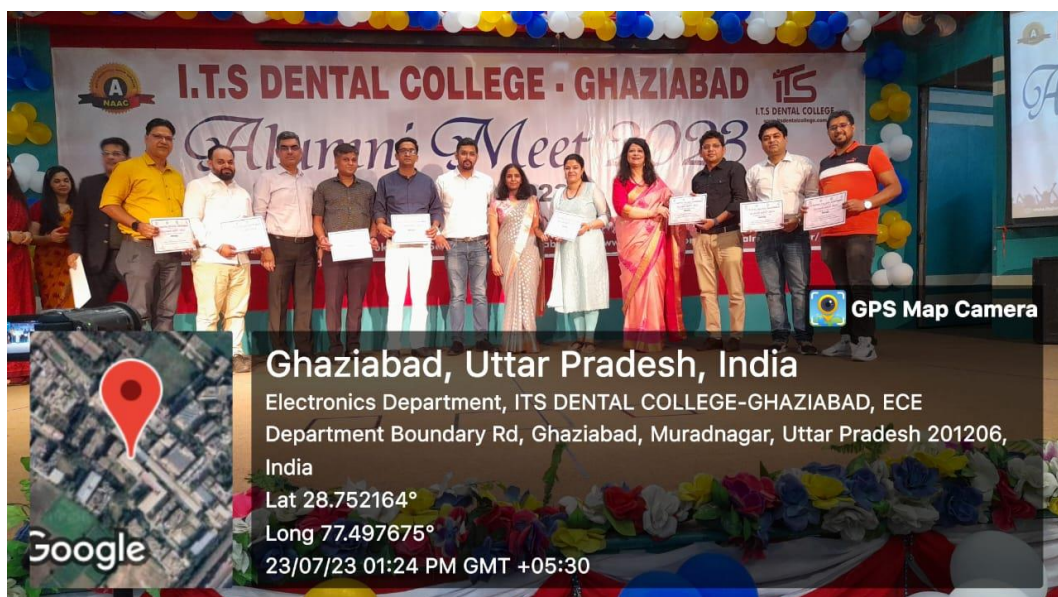

Scope of improvement

- Better Planning and implementation of the event.
- Event should be held between in during cool weather
- Meet was complementary for registered Alumni members along with family which led to many of them turning up.
- Sound system of auditorium can be improved

I.T.S Dental College, Ghaziabad

Department of Pediatric and Preventive Dentistry

A Report on Alumni Guest Lecture by Dr. Mehak Nagpal Sharma

on

"Pedopreneurship-Journey to Exclusive Pediatric Dental Practice Management".

General

Alumni Guest Lecture was organized in Kalpana Chawla Auditorium at I.T.S Dental College, Ghaziabad on Wednesday, 4th October 2023.

Objective

The lecture aimed to provide our students with a deeper understanding of the specialized field of pediatric dentistry. It also aimed to encourage them to pursue excellence in their studies and future careers. The lecture contributed to the professional development of our students by exposing them to real-world insights and challenges faced in the field of pediatric dental practice management.

About the Speaker

Dr. Mehak Nagpal Sharma (MDS Pediatric & Preventive Dentistry). She is currently working as a Consultant Pedodontist associated with many multispeciality hospitals.

Lecture Content

The lecture introduced the concept of "Pedopreneurship" to our students. Dr. Mehak Nagpal Sharma explained that it begins with a deep passion for children's oral health and a commitment to providing them with the best dental care possible. She also discussed as Pedopreneurs we develop a keen understanding of business management, marketing and patient engagement, essential components in establishing a successful pediatric dental practice.

DEPARTMENT OF ORAL MEDICINE AND RADIOLOGY

Report on Alumni Guest Lecture- 2024

held on 01/05/2024

1. General

As a unique initiative, I.T.S Dental College invites it's distinguished alumni to share their clinical and professional experiences to motivate and guide the students. As a part of this initiative, under the esteemed guidance of Dr. R.P. Chadha, the Chairman of I.T.S-The Education Group, and Shri Arpit Chadha, the Vice Chairman, I.T.S Dental College, Ghaziabad's an alumni lecture was organized by the department of Oral Medicine and Radiology on 1st May, 2024. A circular dated 25.04.2024 was published for the program.

2. Objectives

The objective of the lecture was to guide interns and undergraduate students regarding various new emerging prospectives in the field of dentistry after graduation and the actual scenario of clinical practice. Also, the intent of the lecture was to show how dentists can incorporate the different aspects of rehabilitation and aesthetic protocols within his/ her clinical practice irrespective of their branch and create a successful practice.

3. About the event

The guest lecture commenced with the introduction of the guest speaker of the event- **Dr. S.B. Maurya (MDS- 2015-18)**. He is a passionate implantologist with extensive experience in managing advanced sinus lift cases, A-Z smile designing and full mouth rehabilitation.. He conducted the lecture on the topic – **“College to Real world of dentistry: Exploring the**

journey". This was followed by a question answer session and the students were highly motivated by the lecture. The event was concluded with a felicitation of the guest speaker Dr. S.B Maurya by Director principal sir Dr. Devi Charan Shetty and Dean alumni and research Dr, Payal Sharma Ma'am.

4. Attendees

A total of 168 participants including 51 BDS III year students, 61 BDS IV year students and 43 interns enthusiastically participated in the event.

5. Outcome

These alumni guest lectures provide a platform for the alumni to share their clinical and professional experiences to motivate and guide the students for better career opportunities and with this lecture all the students got detailed insight on the actual positive scope of dentistry.

6. Conclusion

The interns and the undergraduates were highly enlightened and fascinated by the program and really appreciated the college venture as it gave them an insight into the current scenario of the clinical practice and ways and means to enhance their skills as per the current global standards of dentistry.

A Report on Alumni Guest Lecture by Dr. Swati Sharma

Date: 20th December 2023

Topic “Printing Dentistry – 3 Dimensionally”

GENERAL

An informative Alumni Lecture on “**Printing Dentistry–3 Dimensionally**” was organized by I.T.S Dental College, Muradnagar on 20th December, 2023. Around 140 participants attended the programme including faculty members, interns and BDS final year students from the college. The guest Speaker for this event was our distinguished alumni, **Dr. Swati Sharma**(M.D.S Orthodontics Batch 2017-20).

OBJECTIVE:

The objective of the lecture was to introduce the students to 3D Printing and its applications in dentistry.

ABOUT THE SPEAKER

Dr. Swati completed her MDS from ITS Dental College Muradnagar (Batch 2017-2020). She is currently working as a Assistant Professor at IDST Dental College, Muradnagar.

Attendees

The following is the summary of attendance for the lecture:

Total Participants:140

- A) Total Students who attended the program :134
- B) Total faculty who attended the program :6

Lecture Content:

A brief overview of the program was given by Dr. Payal Sharma (Professor & Head, Department of Orthodontics and Dentofacial Orthopedics) along with introduction of the speaker.

The objective of the lecture was to apprise the students about new horizons in dentistry using 3d printing. Dr Swati showcased the various applications of 3D printing in dentistry.

Outcome:

- The lecture provided an insight to the students on various uses of 3d printing in dentistry and the steps involved in it.
- The students were made aware about the various types of 3D printers that are available in the Indian market.

Conclusion:

The speaker concluded the programme by thanking the college for organising such an informative and knowledgeable platform for the BDS students and Interns. At the end, Dr. Shubhangi Jain, Reader, Department of Orthodontics gave a heartfelt thanks to our guest speaker and gathering.

DEPARTMENT OF ORAL PATHOLOGY AND MICROBIOLOGY

Report on Alumni Guest Lecture- 2024

held on 27/02/2024

1.General

As a unique initiative, I.T.S Dental College invites its distinguished alumni to share their clinical and professional experiences to motivate and guide the students. As a part of this initiative, under the esteemed guidance of Dr. R.P. Chadha, the Chairman of I.T.S-The Education Group, and Shri Arpit Chadha, the Vice Chairman, I.T.S Dental College, Ghaziabad's an alumni lecture was organized by the department of Oral and Maxillofacial Pathology and microbiology on 27th February 2024. A circular dated 17.02.2024 was published for the program.

2.Objectives

The objective of the lecture was to guide interns and undergraduate students regarding various new emerging prospectives in the field of dentistry after graduation. Also the intent of the lecture was to show how dentists can bridge the gap between dentistry and facial aesthetics as a branch.

3.About the event

The guest lecture commenced with the introduction of the guest speaker of the event- **Dr. Gunjan Jain (BDS- 2015-21)**, consultant Aesthetic Physician, AAYNA Clinic, New Delhi. She is a passionate facial aesthetician with extensive experience in facial injectables including botox, fillers and threads. She is empathetic and committed to provide patient's comfortable and successful treatment. She conducted the lecture on the topic – **“Navigating the intersection of dentistry and facial aesthetics”**. This was followed by a question answer session and the students were highly motivated by the lecture. The event was concluded with a felicitation ceremony by Dr. Payal Sharma, Dean- CDE Alumni and research.

4.Attendees

A total of 121participants including 82 BDS III year students and 39 interns enthusiastically participated in the event.

5. Outcome

These alumni guest lectures are held so that the alumni can share their clinical and professional experiences to motivate and guide the students for better career opportunities.

6.Conclusion

The program was attended by the undergraduates and interns. Speaker of the event focused on bridging the gap between dentistry and facial aesthetics as a branch.Adept in pain management and helping clients gain self -confidence while educating them is one of her best practices.The interns and the undergraduates were highly enlightened and fascinated by her excellent skills in the emerging field of facial aesthetics.

GUEST LECTURE REPORT

19th July, 2023

GENERAL

An informative Guest Lecture on “Magnification in Dentistry” was organized by I.T.S Dental College, Muradnagar on 19th July, 2023. Around 100 participants attended the programme including faculty members, BDS second year students from the college. The guest speaker for this event was, Dr. Shrey Dhawan.

OBJECTIVE:

The objective of the lecture was to teach BDS second year students the tips and tricks of magnification in dentistry.

ABOUT THE SPEAKER

Dr. Shrey Dhawan has a vast experience in dentistry. He has keen interest in microscopic dentistry. He is an avid educator. He is speaker for Bondent India, Group Pharma & Dental Avenue and has been doing national lectures for over 6 years now.

Attendees

The following is the summary of attendance for the lecture:

Total Participants:87

- a) Total Students who attended the program :82
- b) Total faculty who attended the program :5

Lecture Content:

A brief overview of the program was given by Dr. Sonali Taneja (Professor & Head, Department of Conservative Dentistry & Endodontics) and further the speaker was introduced by Dr. Divya Chowdhary (Reader, Department of Conservative Dentistry & Endodontics).

Lecture explained importance of Magnification in dentistry. Magnification helps the user not only to see more, but to see well. The application of magnification devices in Endodontics is mainly meant for visual enhancement and improved ergonomics. The lecture focused producing higher quality procedures for better precision and accuracy by using loupes in daily practice. Using loupes or microscopes improves the clarity in treatment plan as well as its execution.

Following the lecture there was demonstration & hands-on, on the use of Loupes in dentistry for undergraduate students, so that students can start their practice from preclinical work & further perform clinical practice under magnification.

Outcome:

This lecture followed by hands-on made students to better understand the importance of magnification using dental loupes in general dentistry and its application. It would definitely help and motivate students to do better restorative dentistry with due attention to minute details.

Conclusion:

The speaker concluded the programme by thanking the college for organising such an informative and knowledgeable platform for the BDS students and .At the end, Dr. Sonali Taneja (Professor & Head, Department of Conservative Dentistry & Endodontics) gave a heartfelt thanks to our guest speaker and gathering.
