

7.3 - Institutional Distinctiveness

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution during the year in one area distinctive to its priority and thrust within 100 - 200 words

The overall well-being of the society is of utmost priority of our institution. We have multiple satellite centres rendering dental services in rural and urban areas. Our students are posted on rotational basis at Dasna Jail, micro-group awareness camps and treatments through a fully equipped mobile dental van. On an average 40 Village camps/ School Camps are held in each and every month of the year. ITS Dental College is collaborated with the National Service Scheme (NSS) in order to provide extended oral care to the poor and needy.

College has also adopted a village with a population of 3200. The residents of the village are provided free basic treatments and amenities. Special tobacco cessation unit has also been set up in Dept of public health dentistry. In celebrating occasions like world no tobacco day, the students get the opportunity to interact with patients from the nearby areas who take tobacco. Patients with oral cancer, who cannot afford advance treatments, are also treated at minimal possible cost. The college has also collaborated with Amar Ujala for "Aparajita - 100 million smiles", initiative which aims at empowering people especially women and ensuring that their rights are fulfilled and their dignity is maintained.

OUTREACH PROGRAMS

The overall well-being of the society is of utmost priority of our institution. Our institution firmly believes in providing professional services, or services of specific expertise, to a group of people who may not otherwise have access to them. I.T.S Dental college has always taken extra footsteps in conducting programs with best possible services for the holistic growth of the society. Our college has seven satellite centres rendering dental services in rural and urban areas. It is an attempt to provide dental care effectively to utilize the health services in its maximum range. Dental doctors skilled in clinical expertise along with interns are posted in all satellite to cater to the needs of community. Our students, interns and post graduates are posted on rotational basis at Dasna Jail to cater the treatment needs of the prisoners.

Many outreach activities are conducted in the form of micro-groups awareness camps and treatments, through 2 fully equipped mobile dental vans with seating capacity of 14 people. On an average 69 camps are held in each and every month of the year. The main aim of the camps is to create awareness regarding importance of oral health, to screen the patients for oral diseases and provide basics oral treatments at the camps site. Its Dental College is collaborated with the National Service Scheme (NSS) in order to provide extended oral care to poor and needy. A team of doctors along with post-graduate and under-graduate students with auxiliary staff render health care and undertake many activities like oral screening, oral health education and basic dental treatment like oral prophylaxis, tooth restorations and extractions. Patients with extensive treatments need from the college are also provided transportation to the college twice a week along with special discounted cards.

These programs are also conducted in various schools (School dental camps) of both public and private sectors are undertaken in rural as well as urban areas through 2 fully equipped mobile dental vans. Basic amenities like free oral health checkups, oral health instructions,

Ghaziabad-201206

brushing techniques and oral hygiene instructions are given to the school children to promote good oral hygiene habits from an early age. There is a massive participation exhibited by the students on special events celebrated by ITS dental college such as children's week. Such events celebrated in college act as a awareness programs as well as motivation forums for the patient. The entire college gears up for and get divided into smaller group for organizing these events where maximum of there student can participate. It is extremely important in today's worlds to have an insight about the various things happening around us and while conducting these outreach program. Nukkad- nataks are also performed by the students for spreading awareness. The students of the college also see to have a positive learning curve from various such activities.

I.T.S dental college also adopted a village (Sultanpur) with a population of 3200. The residents of the village are provided free basic amenities like health consultations, basic free dental treatments, free general medicine and oral health kits. Free dental camps are organized once a month along health education pertaining of the objectives.

Awareness about oral cancer is also a key part of patient education at camp sites. Special tobacco cessation unit also been setup in department of public health dentistry to help patient leave deleterious habits and live a tobacco free life. Patients with oral cancer, who cannot afford advance treatments, are also treated in our department of oral and maxillofacial surgery at minimal possible cost.

Special attention is given to various events such as World Health Day, National Doctor's Day, National Dentists Day, World No Tobacco Day, International Women's Day, World Cancer Day, World Environment Day, World Oral Health Day etc. In celebrating occasions like world no tobacco day, the get the opportunity to interact with patients from the nearby areas who take tobacco and they motivate and educate these people regarding the ill

effects of chronic intake of tobacco products. This not helps in the education and growth of the students but also serves as an awareness program for the general crowd who are otherwise completely unaware about the sequel of these habits and diseases caused by them. Also, free dental treatment is provided to these patients on these particular days as a preventive program and benefit of the patients. Thus, it is to the credit of the various people of the administration who work hard day and night for the development of the students and to ensure that they have a bright future when they step out of their cocoons into the real world. Thus the vision is to complete upliftment of the students towards a bright future later.

I.T.S Dental College, Ghaziabad has also collaborated with Amar Ujala, Ghaziabad for "Aparajita-100 million smiles", an initiative aims at empowering people especially women and ensuring that their rights are fulfilled and the dignity is maintained. We take pride in associating ourselves with such a noble initiative and plan to provide quality oral and health services to women and girls so as to facilitate them to attain the best level of health under this initiatives.

Our I.T.S pariwar believes that all these awareness programs, camps, satellite set-ups and going the extra mile to provide treatments to the poor and needy is the foundation of human care and social services. Our primary goal is to outreach the best dental treatment to the maximum possible populations

"WORLD CANCER DAY"

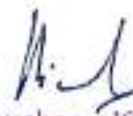

4th February 2023

Report

World Cancer Day is held every 4 February is the global uniting initiative led by the Union for International Cancer Control (UICC). By raising worldwide awareness, improving education and catalyzing personal, collective and government action, we are all working together to re-imagine a world where millions of preventable cancer deaths are saved and access to life-saving cancer treatment and care is equitable for all - no matter who you are or where you live.

Following Series of events were organised at adopted village, Sultanpur, at camp venue (Dhikoli, Ghaziabad district) and at OPD of I.T.S- Center for Dental Studies and Research, Muradnagar.

- Health educational pamphlets regarding oral cancer were distributed at camp venue and to the patients visiting the OPD of ITS - CDSR.
- Health talk regarding early signs and symptoms of Oral Cancer, adverse habits related to oral cancer and individuals were motivated to quit habits to avoid the disease.
- Tobacco Cessation counselling was emphasized to all patients who were in a habit of smoking or chewing tobacco at the camp venue and at Tobacco Cessation center of ITS - CDSR, Muradnagar. Oral cancer screening was done at the adopted village, camp venue (Sikri Khurd) and at I.T.S - CDSR, Muradnagar.
- There was demonstration of "Self Examination" to all patients to check oral cavity on a regular basis and to make them aware of early changes so that they can visit a doctor as soon as possible.
- Stakeholders like village pradhans, health care workers of villages were identified and sensitised regarding this deadly disease and were made aware regarding prevention, diagnosis and treatment of cancer.
- Shopkeepers at Kasba, Muradnagar selling tobacco products were sensitised and motivated to strictly adhere to COTPA act 2003 and not to sell tobacco products to person who is under 18 years of age.
- Pledge was taken by all the patients, staff, students and stakeholders to combat this disease. An interactive Health Education session was done for all patients and their queries answered.

Event Report

National Dentist's Day

at I.T.S Dental College, Ghaziabad on 6th March, 2023

The Department of Public Health Dentistry, I.T.S Dental College, Delhi-Meerut Road, Muradnagar, Ghaziabad under the able guidance of Mr. Arpit Chadha (Hon'ble Vice Chairman, I.T.S -The Education Group) celebrated **National Dentist's Day** on 6th March, 2023 to create awareness among the general population about the importance of Dental health and also tell them about importance of regular dental check up.

Drawing and Quiz Competition was held in school MHTQ, Eidgah, Muradnagar, which was coordinated by **Dr. Ritu Gupta, Reader**. Students participated with full enthusiasm and the winners of the competition were awarded with certificates. Micro-awareness of the patients visiting the OPD and camp was done by **Dr. Abhinav Bhargava, Reader** and **Dr. Sunil Kumar Chaudhry, Senior Lecturer**. The patients were sensitized regarding National Dentist Day and the importance of oral hygiene maintenance. The interactive sessions were held for all the patients and the use of different oral hygiene aids were discussed.

Oral Health Screening and treatment was organized at Officer City I Society , Rajnagar Extension by **Dr. Abhinav Bhargava** and their team. Patients were motivated to maintain oral hygiene and explained about the importance of regular visit to a dentist.

Dr. Devicharan Shetty
Principal
I.T.S Centre for Dental Studies & Research
Delhi-Meerut Road, Muradnagar
Ghaziabad-201306

Distribution of "Proud to be a Dentist" Badges to all the faculty members was done by the department of Public Health Dentistry under the guidance of **Dr Bhuvan Deep Gupta, Professor & Head, Dept of Public Health Dentistry.**

I.T.S Dental College takes great effort in creating awareness among the people of the area about importance of oral health and maintenance of the oral health regularly by the means of Dental Outreach activities. The program guided the target audience and became a truly knowledgeable experience for all the patients visiting the college and at the camp site who were explained and motivated about the maintaining good oral health.

Observations:

1. Students of MHTQ school participated enthusiastically in quiz and drawing competition.
2. Patients were inquisitive about the various aids which can be used for maintaining oral health.

Improvements:

1. More student participation can be done by sensitising them about the importance of Dentist Patient relationship and sensitising them about moral code of conduct in the profession.

Report of World Oral Health Day (20th March, 2023)

1.General

World Oral Health Day was celebrated by Department of Prosthodontics and Oral Implantology, I.T.S Dental College, Ghaziabad on 20th March, 2023. A circular dated 18.08.2023 was published for the campaign.

2.Objectives

The objective of the campaign was to aware the general population about the importance of oral health and its correlation with general health also the role of a dental surgeon in Oral health management.

3.About the event

Many activities were organized in college campus and at camp site. Free Denture Camp was organized for the geriatric patients in different rural areas, in collaboration with Department of Public Health Dentistry. In the college campus, E-Poster and hashtag competitions were planned for the undergraduate and postgraduate students, aimed at showcasing the theme of the program "Be Proud of Your Mouth" as directed by Dental Council of India. Nukkad Natak was organized for the public awareness about the importance of oral health by students. All the undergraduate and postgraduate students participated enthusiastically in events. Oral health awareness talk was delivered to patients with an aim to sensitize them about importance of oral and dental health, oral hygiene measures and various treatment modalities available to eradicate oral health concerns. Oral health educational pamphlets regarding maintenance of complete dentures, partial dentures, dental implants and fixed partial denture were distributed to the patients visiting the OPD at I.T.S Dental College, Ghaziabad.

4.Attendees

The following is the summary of attendees for the programme,

- a) Total no. of students who participated the program: 53
- b) Total no. of faculties who attended the program: 22
- c) Total no. of registered patients: 89

Dr. Devicharan Shetty
Principal
I.T.S Centre for Dental Studies & Research
Delhi-Meerut Road, Muradnagar
Ghaziabad-201206

5. Outcome

Oral health has often been isolated within health systems, separating the mouth from the body. However, it is vital to maintain general health and a good quality of life. Through this event, the patients were empowered to take control of their whole body health.

6. Conclusion

The session ended with free denture distribution, program was graced by Chairman Sir, Dr R. P. Chadha and Director – Principal Sir, Dr Devi Charan Shetty. Event was attended by heads of all departments, students and more than 100 patients. Winners of competitions were awarded certificates. Toothbrush and oral hygiene aids were distributed to the patients.

REPORT ON

WORLD HEALTH DAY

"7th April 2023"

ORGANISED BY

I.T.S CENTRE FOR DENTAL STUDIES & RESEARCH, GHAZIABAD

General

1. All Students and faculty of I.T.S Centre for Dental Studies & Research, Ghaziabad celebrated World Health Day on 7th April 2023. The theme for which was " Health For All"

Objective

1. The objective of the celebration was to educate the patients about importance of good health and motivate them to get regular health and dental checkups on a routinely basis for a healthy life.

About the Celebration

- The following series of activities were organised for the patients on the occasion of "World Health Day" visiting the camp venue in C line, Devendrapur, Ghaziabad and at ITS Dental College, Muradnagar.
1. Free Oral Health Screening and awareness has been cretaed among patients at the camp site as well as in the college.
 2. Blood Pressure and Blood Sugar levels were assessed at camp site and for the OPD patients free of cost.
 3. Counseling sessions were held for the patients who were diagnosed with high blood pressure and high blood sugar levels to do necessary lifestyle modifications and to consult a specialist for the same.
 4. Health and oral health checkup and basic treatments were provided like oral prophylaxis, topical fluoride application, extraction and restorations at camp site.
 5. Tobacco cessation counseling was also provided to the patients, with the habit of chewing or smoking tobacco.

Dr. Devcharan Shetty

Principal

I.T.S Centre for Dental Studies & Research
C-3b, Ayazat Road, Muradnagar
Ghaziabad-201206

6. Also, the patients were made aware regarding the ill- effects of using tobacco at the camp site.
7. Poster competetion was organized on the WHO theme "Health for All" for undergraduates.

Attendees

- a) Patients visiting the OPD at I.T.S Dental College, Muradnagar, Ghaziabad.
- b) Patients visiting the Camp Venue.

Demonstration Content

- Tooth brushing techniques were demonstrated on tooth models and oral hygiene instructions were given along with the awareness and importance of diet and nutrition were given to Health care workers at camp site and College.
- Micro-group awareness was done by demonstration of self examination of Oral cavity for any pre-malignant lesion for patients visiting the camp site and college OPD.

Outcome

- Blood Pressure of 42 patients and blood sugar of 17 patients were checked at College OPD.
- The 158 patients were educated about various health problems and were motivated to maintain good life style for better health at Camp site "C Line Devenderpuri, Modinagar".
- Poster competetion was organized on the WHO theme: "Health for All" for undergraduates. The winners were awarded with the certificates by the respected Director Pricipal Sir.

Conclusion

- The Patients learnt about various importance of maintaing health for a good life, need for regular health checkup test and ill effects of tobacco consumption.

Micro Group awareness of the OPD patients on ill effects of Tobacco consumption to the patients from 27/05/23 to 31/05/23. Sensitization of Tobacco vendors regarding ill effects of tobacco consumptions at Purani Gur Mandi.

In the institute on 30/5/2023 celebration included series of events like Poster competition for the undergraduates, slogan and quiz competition for both undergraduate & postgraduate students on the theme for 2023 given by WHO- We need food, not tobacco. A Street Play (Nukkad Natak) for OPD patients was also organized by the students to create awareness on 31/5/2023.

4. Attendees

The following is the summary of attendees for the programme.

- a) Total no. of students who participated the program: 46
- b) Total no. of faculties who attended the program: 22
- c) Total no. of registered patients: 600

Principal
I.T.S Centre for Dental Studies & Research
Delhi Meerut Road, Muradnagar
Ghaziabad-201 206

5. Outcome

When tobacco users become aware of the dangers of tobacco, most want to quit. However, nicotine contained on tobacco products is highly addictive and without cessation support only 4% of users who attempt to quit tobacco use will succeed. Professional support and proven cessation medications can more than double a tobacco user's chance of successful quitting.

6. Conclusion

The program was graced by Director - Principal Sir, Dr Devi Charan Shetty, Deans of the Institute. Event was attended by heads of all departments, students and more than 100 patients. Winners of competitions were awarded certificates.

Report of World Environment Day (5th June, 2023)

1. General

World Environment Day was celebrated under the aegis of Department of Public Health Dentistry, I.T.S Dental College, Ghaziabad on 5th June, 2023. A circular dated 05.06.2023 was published for the campaign.

2. Objectives

The objective of the campaign was to create awareness and encourage efforts to protect the environment among the general population. The aim is to halt the degradation of ecosystems, and restore them to achieve global goals.

3. About the event

Many Outreach activities were conducted by the Department of Public Health Dentistry in order to make general public aware about the importance of nature. Micro awareness of patients visiting the OPD and at the Dasna camp venue was done. Awareness about the judicious use of plastics was given to people at Murad Nagar railway station.

In the institute on 05/06/2023 other activities like the planting of saplings campaign by Deans, Head of the Departments and faculty members along with the awareness to tackle environmental issues, emphasizing that together we build a nation filled with clean air, pure water and happy, healthy people was conducted.

4. Outcome

World Environment Day is celebrated annually on June 5th on a global platform to raise awareness about environmental issues and encourage positive action. It aims to promote action for environmental protection. The day focuses on various environmental issues, such as climate change, deforestation, pollution, loss of biodiversity, and sustainable consumption.

Report of Blood Donation Day (14th June, 2023)

1. General

World Blood Donation Day was celebrated under the aegis of Department of Public Health Dentistry, I.T.S Dental College, Ghaziabad on 14th June, 2023. A circular dated 12.06.2023 was published for the campaign.

2. Objectives

The objective of the campaign was to emphasize on the importance of blood and plasma donations for lifelong transfusion patients and to encourage donating blood or plasma often to ensure a safe and sustainable global supply of blood to all who are in need and to raise awareness about saving lives by blood donations.

3. About the event

Many Outreach activities were conducted by the Department of Public Health Dentistry in order to make general public aware about the importance of blood donation. Micro awareness of patients visiting the OPD and at the Sadarpur camp venue was done. Awareness about imparting knowledge regarding the importance of unpaid, voluntary blood donation.

On 14/06/2023 Blood Donation camp in collaboration with Rotary Club of Sahibabad & Rotary Vardan Blood Bank was organized in Activity Hall of the Institution.

4. Outcome

World Blood Donation Day is celebrated annually on June 14th on a global platform to raise awareness of the necessity of safe transfusion of blood and its components. The day focuses on encouraging youth to donate blood and inspiring others to do the same.

Report on National Doctor's Day (1st July 2023)

1. General

National Doctor's Day was celebrated under the aegis of Department of Public Health Dentistry, I.T.S Dental College, Ghaziabad on 1st July, 2023. A circular dated 28.06.2023 was published for the campaign.

2. Objectives

The objective of the campaign was to highlight the importance of doctors in our society and how they play a vital role in keeping us healthy and safe.

3. About the event

Micro-group awareness of the OPD & camp patients on importance of regular visit to health care professionals was done by the Department of Public Health Dentistry in the institute on 01/07/2023 with the theme "Celebrating Resilience and Healing Hands" in order to appreciate and honor the valuable contributions of doctors and healthcare professionals in the country. Awareness was done at Sultanpur adopted village to create awareness about the important role which doctors play in our everyday life. Nukkad Natak was done in the college by the interns & students to create awareness among the patients visiting the Dental College about the importance of regular visit to the Doctors and also the sacrifices made by the Doctors for their patients. Reels and Caption competition on the theme "Celebrating Resilience and Healing Hands for undergraduate and postgraduate students.

4. Outcome

National Doctor's Day is celebrated annually on July 1st on a global platform to recognize the contributions of medical professionals to individual lives and communities. It is celebrated to pay respect and salute to the unsaid heroes of everyone's life. The winners of the Reels and Caption competition were given prizes and certificate.

Event	Name of the student	Position
Reel Competition	Dr Dipanshi, Dr Saumya	First
	Dr Shivanshi	Second
	Dr Meenakshi	Third
Caption Competition	Dr Nidhi, Dr Neha Singh, Dr Pritam	First
	Dr Dipanshi, Dr Saumya	Second
	Dr Mansi, Dr Shanvi, Dr Uma, Dr Saba	Third

5. Conclusion

The program was attended by all the interns and post graduate from all the departments. It highlighted the contributions and dedication of doctors toward the well-being and health care of society. On this day, people express their gratitude to doctors for their tireless efforts, compassion, and dedication toward saving lives and promoting well-being.

आई0टी0एस0 सेंटर फॉर डेन्टल स्टडीज एण्ड रिसर्च
दिल्ली-मेरठ रोड गाजियाबाद

आई0टी0एस0 डेन्टल कॉलेज में विश्व स्तनपान सप्ताह मनाया

दिनांक 1 अगस्त से 7 अगस्त, 2022

आई0टी0एस0 डेन्टल कॉलेज, गाजियाबाद के पब्लिक हेल्थ डेन्टिस्ट्री विभाग द्वारा दिनांक 1 अगस्त से 7 अगस्त, 2022 तक विश्व स्तनपान सप्ताह मनाया गया जिसका विषय "स्तनपान को बढ़ावा और शिक्षा एवं सहयोग" था।

विश्व स्तनपान को प्रोत्साहित करने और दुनिया भर के शिशुओं के स्वास्थ्य में सुधार के लिये हर साल विश्व स्तनपान सप्ताह मनाया जाता है। इसकी शुरुआत अगस्त 1990 में हुयी थी। विश्व स्तनपान सप्ताह घोषित किये जाने का उद्देश्य स्तनपान को बढ़ावा देना था, जिससे शिशुओं को सही पोषण और उनका स्वास्थ्य बेहतर किया जा सके। इस मिशन में विश्व स्वास्थ्य संगठन, यूनिसेफ और अन्य संगठन भी शामिल हैं।

इस अवसर पर संस्थान में आने वाली महिलाओं मरीजों को बताया कि नवजात शिशुओं के लिये मां का दूध अमृत के समान है। स्तनपान को बढ़ावा देकर शिशु मृत्यु दर में कमी लाई जा सकती है। शिशुओं को जन्म से छह माह तक केवल मां का दूध पिलाने के लिए महिलाओं को इस सप्ताह के दौरान विशेष रूप से प्रोत्साहित किया गया तथा महिलाओं को मां और बच्चों के लिये स्तनपान के महत्व के बारे में जागरूक किया। स्तनपान को अन्तर्राष्ट्रीय स्तर तक बढ़ाने से हर साल 8,00,000 से अधिक लोगों की जान बचाई जा सकती है, जिनमें 6 अधिकांश 6 महीने से कम उम्र के बच्चे हैं। स्तनपान कराने से माताओं को स्तन कैंसर, ओवेरियन के कैंसर, टाइप 2 मधुमेह और हृदय रोग होने का खतरा कम हो जाता है। विश्व स्वास्थ्य संगठन के अनुसार जन्म के एक घंटे के भीतर शिशु को 6 महीने का होने तक अनन्य स्तनपान शुरू करना चाहिए।

इस अवसर पर आई0टी0एस0 डेन्टल कॉलेज की डेन्टल ओ0पी0डी0 में निम्नलिखित गतिविधियां देखी गई, जिसमें सभी महिलाओं को सूर्या अस्पताल के प्रसूति वार्ड में भेजा गया और वहां उनका मुफ्त चैकअप किया गया। इसके साथ ही शिविर स्थल आंगनवाड़ी, सुल्तानपुर गांव की महिला कार्यकर्ताओं और सभी महिलाओं को स्तनपान के महत्व के बारे में जागरूक किया गया, क्योंकि स्तन कैंसर आजकल अधिक प्रचलित है। इसलिए शिविर स्थल आंगनवाड़ी, सुल्तानपुर गांव, प्रसूति वार्ड सूर्या अस्पताल एवं डेन्टल ओ0पी0डी0 में आने वाले महिला रोगियों को स्तनपान के महत्व के बारे में पर्चे वितरित कर रोगी शिक्षा और प्रेरणा दी गई। इसके साथ ही सभी महिलाओं को पिंक रिबन और स्तनपान बैच भी वितरित किये गये।

इस सफल कार्यक्रम के आयोजन के लिये सभी प्रतिभागीयों ने आई0टी0एस0 - द एजुकेशन ग्रुप के चेयरमैन, डॉ0 आर0पी0 चड्ढा, वाईस चेयरमैन, श्री अर्पित चड्ढा को धन्यवाद दिया।

Report
WORLD MENTAL HEALTH DAY on 10th October, 2022

I.T.S Centre for Dental Studies and Research hosted a series of events on the occasion of **WORLD MENTAL HEALTH DAY**, on October 10, 2022. The program's goal was to raise public awareness about mental health issues. This session was attended by all 1st Year Students, faculty members and PG Students.

On this occasion, the patients visiting the OPD of I.T.S.- Centre for Dental Research, Ghaziabad were sensitized regarding the importance of good mental health, some issues related to it and what one should adopt to maintain the same. The dental camp was organized at Risthal, Ghaziabad where the patients were sensitized regarding the importance of good mental health through pamphlets distribution and general counselling. The basic treatments like scaling, restorations and extractions were provided at the camp venue. A live lecture was delivered by Mr.Somdeb Maji, a psychiatric social worker, National mental health programme, CMO office, Ghaziabad. A renowned speaker who is actively involved in and has also conducted various lectures and workshops on mental health and its importance at various National forums. Students and Faculty took active participation in this lecture and were sensitized on how we can maintain a good mental health. Mr Akash Tyagi (Community Health Nurse) were also on the team and helped to move the session forward with more problems and solutions. Interactive sessions were made at the end of the session and all the questions were answered very nicely by the expert. This also commemorates the global mental health issues caused by stress and problems.

Our sincere thanks to our Chairman, **Dr. R.P. Chadha sir**, Vice-Chairman, **Mr. Arpit Chadha sir**, who were the driving force behind the programme and had given us opportunity to celebrate this day.

"NATIONAL TOOTH BRUSHING DAY"

7th November 2022

Press Release

Oral health is essential to general health and quality of life. Dental caries is the most common chronic diseases and however it can be easily prevented by proper preventive practices. Of all the preventive practices, tooth-brushing has been the most effective and simple way to prevent dental caries as well as periodontal disease. November 7 is observed as National Tooth brushing day in India to reinforce the importance of children's oral health and promote good tooth-brushing habits recommended by dental health professionals. This program is launched from 2015 to educate parents and kids to brush twice daily for at least two minutes to help reduce the risk of oral diseases.

On this day, I.T.S Centre for Dental Studies & Research Muradnagar, Ghaziabad has organized a mass tooth brushing demonstration at school and college OPD. Free Oral Health Kit was distributed to the school children and patients visiting college OPD. Demonstration of proper brushing technique on the tooth model was done to the school children and patients benefitted from this program. The school children, teachers and patients were also educated regarding importance of oral health and maintaining oral hygiene.

Our sincere thanks to our Chairman, Dr. R.P. Chadha sir and Vice Chairman, Mr. Arpit Chadha sir who were the driving force behind the programme and had given us opportunity to celebrate this day.

प्रेस विज्ञप्ति

आई0टी0एस0 डेन्टल कॉलेज मे अंतर्राष्ट्रीय दिव्यांग दिवस मनाया गया

आई0टी0एस0 डेन्टल कॉलेज, मुरादनगर के पब्लिक हैल्थ डेंटिस्ट्री विभाग द्वारा अंतर्राष्ट्रीय दिव्यांग दिवस मनाया गया। जिसका विषय एक समावेशी विकास के लिये परिवर्तनकारी समाधान एक सुलभ और न्यायसंगत दुनिया को बढ़ावा देने में नवाचार की भूमिका है। इस दिन का उद्देश्य है दिव्यांगों के प्रति लोगों के व्यवहार में बदलाव लाना और उन्हें उनके अधिकारों के प्रति जागरूक करना। हर साल इस दिन दिव्यांगों के विकास, उनके कल्याण के लिये योजनायें और समाज में उन्हें बराबरी के अवसर मुहैया करने पर गहन विचार विमर्श किया जाता है।

अंतर्राष्ट्रीय दिव्यांग दिवस पर संस्थान द्वारा अनंद ट्रेनिंग सेंटर, नंदग्राम में दिव्यांग रोगियों के लिए शिविर लगाया गया जिसमें रोगियों के लिये गतिविधियों की श्रृंखला देखी गई। संस्थान द्वारा आयोजित शिविर स्थल पर मौखिक स्वच्छता कि जाँच की गई और सभी रोगियों को आवश्यक उपचार बताया गया। अपनी क्षमताओं का प्रदर्शन करने के लिए दिव्यांग बच्चों के बीच एक ड्राइंग और क्विज प्रतियोगिता कराई गई। ड्राइंग में छात्रों ने बहुत उत्साह और दिल को छूने वाली रचनात्मक कला का प्रदर्शन किया। ब्रशिंग मॉडल और टूथब्रश की मदद से ब्रशिंग का सही तरीका बताया गया तथा कार्यक्रम का समापन प्रतियोगिता के विजेता को पुरस्कार देकर किया गया। इसके साथ ही संस्थान की डेंटल ओपी0डी0 में रोगियों के लिए मौखिक स्वच्छता बनाए रखने के महत्व के बारे में उपयुक्त जानकारी दी गई तथा दिव्यांगों के प्रति लोगों के व्यवहार में बदलाव लाने में सहयता की। सभी रोगियों को ब्रशिंग मॉडल और टूथब्रश की मदद से ब्रशिंग का सही तरीका भी बताया गया।

अंत में सभी प्रतिभागियों ने इस कार्यक्रम के आयोजन के लिये आई0टी0एस0 - द एजुकेशन ग्रुप के चेयरमैन डॉ0 आर0पी0 चड्ढा तथा वाईस चेयरमैन श्री अर्पित चड्ढा को धन्यवाद दिया।
