Letter of Recommendation

Date : 5th May, 2022

To whomsoever it may concern,

I am Dr. Mohit Sharma & Dr. Aastha Sharma, Chief Dental surgeons at M.R Dental Clinic. I have known Dr. Rishabh Chaudhary as an enthusiastic young Dental Surgeon and he is quite capable in all the tasks he handled. When he told me about his future study plans at your acclaimed campus, I readily agreed to write this humble letter of recommendation in support of his application for admission.

Dr. Rishabh Chaudhary diagnosed patients' dental conditions and presented comprehensive treatment plans by exposing radiographs, photographs, and developed impressions, pouring models. He performed restorative dentistry of 2,000+ patients per year, including both removable and fixed fillings, crowns, veneers, dentures, and partial dentures, periodontal therapies, and extractions. His clinical work received huge applause and he showed excellent performance while practically dealing with the patients.

In my capacity, Dr.Rishabh Chaudhary is an ideal candidate suited to make any institution proud of him, and hence, I firmly recommend his admission to your renowned campus to pursue further studies in a Post Graduate Certificate in Public Healthcare and management.Besides all these, he has a great heart for others and has been able to raise a vibrant peer circle by inspiring and motivating them. I wholeheartedly wish him the very best in all future endeavours and extend all possible assistance in relation to RIshabh's application.

Feel free to contact me if you have any questions about this experienced and talented aspirant.

Sincerely,
Dr. Mohit Sharma
